(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant agreed to cancel claims 46-54 for being substantially duplicate of claims 35-45, and to removing the claim limitation "changing an object in the first system" such that it does not contradict the limitation of "storing a set of changes during a transaction". Applicant agreed to amend claim 43 to insert the limitation that the change information includes a primary key identifying the object and any changed attribute of an object. Applicant agreed to amend the preamble of claim 55 also.
